
14th March 2020

Dear Members,

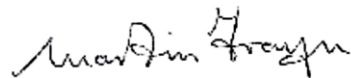

In the light of the increasing spread of the coronavirus, and in line with the cancellation by The Arts Society of all events at the national and area levels up to 30th April, I feel we have no option but to cancel our scheduled lecture on 'Royal Collectors' next Wednesday, 18th March

We will continue to monitor the situation with regard to our April lecture, but it is likely that this too will have to be cancelled. I will be in touch nearer the time.

We appreciate this will come as a disappointment to many, but the safety and well-being of our members has to come first.

I would be grateful if you would be so kind as to pass on this message to your friends.

Yours sincerely,

Martin Frayn

Chairman
